The Pastor's Corner

How about a visit to Jericho? This beautiful oasis city is believed to be one of the oldest cities in the world and is mentioned first, in the Bible, in Numbers 22:1. Jericho is mentioned no less than 64 times in the Old Testament and another seven times in the New Testament for a grand total of 71 references. It was among the first cities to be excavated in Israel. Its stories cover a wide range of events from the famous walls that came a tumblin' down to Zachaeus. Jericho is a familiar stop for tours today and seems only fitting that we drop by for a visit Sunday. I hope you will make time to be here as we explore this ancient city, excavation, ancient walls, tower and tell.

A Word From the Children's Director

I spent last week with five of our preteens surrounded by teenagers, youth leaders and other preteen groups. It was a long week, but it was very good. I had the privilege of watching the preteens prepare and excitedly talk to others about Jesus! I saw them lift their hands at the end of each long day to praise our God. While last week wasn't exactly what we all expected, it was clear God was on the move in the community of Fenton, MO. Please continue to pray for the preteens to draw closer to God and continue to be His disciples that make disciples.

This time next week Vacation Bible School and Sports Crusaders will be in full swing! Please pray hard for this week. The hours of sweat and tears that go into making this week happen are countless, but we know God is in control of it all. The Enemy is working overtime, that's already evident, but we serve the One who is above all things. Wednesday (7/17) is our Kickoff Pool Party. Monday-Friday is VBS from 8:30-11:30 a.m. and Sports Crusaders Noon-4:30 p.m. Pray for:

- The Holy Spirit to soften the hearts of all in attendance next week (child and volunteer)
- Leaders and volunteers to be His vessel to work through and speak through
- The parents who are sending their kids next week to be impacted by the Gospel as well
- Safety of everyone during the week
- Travel mercies for the Sports Crusaders as they travel from all over
- Wisdom for our Directors as they navigate the week
- Weather conditions to be favorable (especially for the soccer group who will be outside in the afternoon)
- The weeks after VBS, that we can continue the connections made

Thank You

With a heart full of gratitude we want to say thank you to all who helped us dig out of our disaster and for the many, many "acts of kindness" shown to us by our church and church family. It all gave us encouragement and was so appreciated. Love to all of you for thinking of us. May God richly bless you!
