### The Pastor's Corner

We live in a time where dementia is never far from us. It seems that every few weeks some famous person has been diagnosed with a neurodegenerative disease of some sort or other. In my mother's family it is everywhere. When I can't recall a name or figure out where I left my keys, I can get panicked. On the other hand, there are those who can never forgive themselves over some sin or failure from their past. I knew a welder in Oklahoma many years ago who came to tears one day telling me how he had bought sugar on the black-market during WWII. All those years later he still carried the shame! This week as we come to the final message in our *One Thing* sermon series, we read Paul's advice to us: "Not that I have already obtained all this, or have already been made perfect, but I press on to take hold of that for which Christ Jesus took hold of me. Brothers, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize of God's heavenly calling in Christ Jesus...." Philippians 3:12-14 NIV. Sometimes we NEED to forget the past, good or bad, if that past keeps us from becoming what Jesus wants us to be today! Maybe this one is for you?

Pastor James

### A Note from the Recreation Minister

Galatians 6:2 in the NIV says, "Carry each other's burdens, and in this way you will fulfill the law of Christ."

Over this past month and a half I can attest to this Scripture as being true. I have been so blessed by the number of prayers being lifted, people contacting me to ask how I'm doing, bringing food, plus the many cards I've received.

Words cannot express how very blessed I have been. It's not just that people have done the things I mentioned but in my absence at NorthPoint, Family Life Center and working with our senior adults so many different individuals have stepped up to cover my areas.

As I'm writing this, I just realized that a week from Sunday Sherry and I will have been here ministering together for 23 years. God has blessed us so much over the years and these past few weeks have shown me why God brought us here; because there are times that we need to be ministered to. It's been a very humbling experience.

Thank you, First Baptist Church, for being the Church.

Jeff
