### The Pastor's Corner

This week we turn our attention to the mysterious Old Testament character of Melchizedek. This is an interesting stop to make where no one, I believe, can be 100% certain of the answer to this biblical riddle. Melchizedek is only mentioned four times in the Bible, once in Genesis 14, Psalm 110 and twice in Hebrews. There are two main interpretations we will investigate and then seek better to understand how this curious priest/king should shape our lives today. As always, I hope you can be here this Sunday as we uncover spiritual principles from biblical characters who are rarely preached on. Have a great week.

Pastor James

### A Note from the Children's Director

Tired, exhausted, worn out, drained – I'm feeling all these things and more and our summer isn't even half over yet! I saw a post on Instagram the other day that said, "What a blessing it is to be tired from doing what God has called me to do."

It is a blessing to be used by Him to share the Good News and build relationships with kids, teens and other churches. I want to encourage you to experience this same blessing with me! We have VBS and Sports Crusaders coming up in just 5 weeks. I need YOU to step up and help. We have positions working with kids and working behind the scenes. We need help feeding our Sports Crusaders each evening they are here, prayers for the event and the follow-up after. God calls us all in some way, what is stopping you from answering His call?

Rebecca
