The Pastor's Corner

Last Sunday I joked about the elusiveness of genuine humility and how quickly we can lose it. Humility is a quality God possesses and demonstrates. It was a combination of several divine traits that brought salvation down to man; but, in the end, it was God humbling Himself so that He could walk among us. He humbled Himself when He left heaven and again when He allowed us to mock and crucify Him. He DID NOT have to do this! God loved us so much that the Creator of the Universe humbled Himself and became flesh and blood, just like us, that we might have access to His great salvation. This Sunday, after the choir presentation, I will share a brief word on this topic. Don't forget this week we will only have one service at 10:30 a.m. in the Worship Center. We will have Sunday School at 9:30 a.m. on both campuses. The Lama Brothers will be here all day if you are interested in olive wood products directly from Bethlehem! See you Sunday.

A Word from the Recreation Minister

A couple of weeks ago we celebrated Thanksgiving. I have so much to be thankful for. Here are a few.

- I thank God for blessing me with godly parents who raised my sisters and I to love God and understand the importance of being active in church.
- I thank God specifically for my mom who on December 2 celebrated 90 years of life.
- I thank God for Sherry, my wife, who loves me, puts up with me and keeps me focused when I can so easily get distracted.
- I thank God for our children and their families. They make us so proud.
- I thank God for people who have mentored me, took me under their wings and set a godly example for me.
- I thank God for guiding me and pulling me back to the right path when I strayed.

Again, this is just a few of the reasons I'm thankful. What about you? What are you thankful for? The chorus of the hymn "Count Your Many Blessings" says it this way . . .

*Count your blessings, name them one by one;
Count your blessings, see what God hath done;
Count your blessings, name them one by one;
Count your many blessings, see what God hath done.*

More important than all of this is that Christ loved us enough that He came to save us. Are you thankful for all that He has done for you?

W.I.L.D. Tutoring

W.I.L.D. Tutoring takes place every Monday, Tuesday and Thursday in the intermediate library from 3:30 to 4:30 p.m. We are focusing on the 3rd grade this year and are servicing 22 students. We rotate weeks between reading and math content. All materials and schedules are provided. We need more people to work with these students. You can work for one, two or all three days. It is a great opportunity to work with students. You will make a difference. Please email or call if you are interested.
