Carry-In Mission's Brunch

October 17 | 9:30-11am | Fellowship Hall

Join us for Worship this Sunday!

Pastor's Corner

This Sunday we look at the issue of shallow faith. Aside from our text in Mark, we will be in several other passages in both the Old and New Testaments. We will consider both the causes and solutions for shallow faith.

Faith is a tricky one! Is faith measured in degrees, as many “faith healers” express, so that when someone is not healed, it is the sick person’s lack of faith? Or is faith like a light switch—it’s either on or off; you have it or you don’t?

Mark 6:5 says, “And He could do no miracle there except that He laid His hands on a few sick people and healed them,” because of their unbelief.

The lame man in Capernaum was healed when Jesus saw “their” faith, at least the faith of the four friends who brought him to Jesus. I think the text is unclear as to whether or not the lame man’s faith in Jesus was a factor.

The woman with the bleeding issue was clearly told by Jesus, “Your faith has made you well.” However, I do not believe her faith in Jesus as a healer—that Jesus **could** heal her—was what brought about her healing. Rather, it was her faith in Jesus as **Messiah** that brought about her healing.

Like I said, the concept here is tricky. I hope you can make it this week as we explore the impact of shallow faith.

A Word from the Recreation Director

February-March of 2002, right at two years after the Family Life Center (FLC) opened, we had our first Upward Basketball and Cheer season. This year marks our 26th season.

Why has Upward lasted when so many other activities have fallen by the wayside? Because our focus has never changed. The number one reason Upward exists is to use basketball and cheer to share the Good News of Jesus Christ with a lost world.

1 Corinthians 9:22a says, “I have become all things to all people so that by all possible means I might save some.”

This verse speaks to discovering what sparks people’s interest and using what God has given you that would connect us with them so that they come to understand their need for Christ. In small-town America, sports are huge. Basketballs, megaphones, and pom-poms are the tools we use to make that connection here in Barry County.

Sign-ups began September 28 and run through the month of October. Please pray for all aspects of this ministry. We will make available a daily prayer list to help you pray for us as we move into this 26th season.

Do we know what the results of this season will be? No, but God does and we’re trusting Him with it all.

Jeff

Sympathy

Sympathy is extended to Jerry and Pam David in the passing of Jerry’s stepfather. Services were Thursday, October 1.

Thank You

Thank you so very much for your thoughtfulness, prayers and the wonderful plant. With the passing of my stepfather, it was so encouraging to get a text or call letting our family know you were praying for us. May the Lord continue to bless the body of Christ. We love you!

Jerry & Pam David
