CHURCH OF CASSVILLE

Volume 49 Issue 42

October 21, 2026

Join us for Worship this Sunday!

Pastor's Corner

After spending three weeks exploring how we get our daily walk with God messed up, this week we move on to the good soil times, when our walk is rich, fruitful and productive. In a lot of ways, the Christian walk is like golf—there are dozens of ways to get it wrong and only one way to do it right.

We will consider what the three areas of failure look like when our soil is good and, ultimately, what the outward sign or signs will be that our life is in a good soil season.

This has been a helpful series for me, and I confess that my toes are a little sore, too. The good news is that in November, I will be preaching a series entitled **Counting Every Blessing**. It will be more of a gentle reminder of just how greatly we are blessed, with a lot less stepping on the toes.

Thank You

Thank you so much for the many acts of kindness extended to our family. The prayers, calls, texts, cards, visits, food, hugs and beautiful plant have warmed our hearts. May God bless you.

The Family of John M. Holtzman

Thank you for all the flowers, prayers, cards and messages of support for me and my family in the passing of my mom, Ruth Allee. We are so blessed to be a part of a church that cares.

Jeff & Sherry Allee

Thank you so much to the church, deacons and any other volunteers who put in such an effort to put my yard back in order. We are beyond grateful for everything.
